

SUMMER 2011 Tri-County Update

NOT ONLY IS IT HOT OUTSIDE:

Politics have been heating up all summer, from the federal debt ceiling to the Wisconsin recall elections. I really think that the economy on the National and State level needs some attention. Things seem to be moving in a positive direction earlier this year but now we are on that treadmill not going anywhere. I will share one positive note: Car loan delinquencies are at the lowest point since 1999. Also recent figures indicate foreclosures are down as well. Consumers seem to be doing what is necessary to help get the economy back on it's feet. OK, enough of the editorializing.

TREDC 2011 SUMMIT TO SALUTE OUR MANUFACTURERS!

Wednesday Morning October 12th @ Green Lake Conference Center 7:00 AM

More details will be forthcoming but the day will begin with a full breakfast buffet and a program focused on manufacturers including; government contracting, lean manufacturing, resources available, and the possible formation of a Tri-County Business Council. Save the Date Now!!

The TREDC Revolving Loan Fund recently assisted two Marquette County Businesses.

Hunter's Crooked River campground (above) recently added additional campsites, swimming pond and other improvements. Presenting a check to Rueben and Candace Hunter are: Tom Jensen, Wayne Stelter, Frank Breitanbach, Roger Field, Marty Havlovic, and Bill Wheeler. Below the same group presents a check to Lisa and Sean Smith owners of Northside Automotive in Montello where they recently added on to their facility and purchased new equipment. 1st National Bank Montello was involved with each of these projects.

The TREDC Revolving Loan Fund provides low interest gap type financing for projects that create jobs and additional investment. We are currently working through the application process with several other businesses in Green Lake and Waushara counties. For additional information contact: Bill Wheeler 920.382.0963 or tcredc@charter.net

Jim Erdman recently stepped down from the TREDC Board. Jim had been the Board Chairman since inception and a true champion of economic development and collaboration in the region. We miss you and wish you the best.
